Discussion

- Menopause Mgr™ is a unique combination blend that is formulated to provide targeted nourishment for women during menopause.
- It features specially selected herbs and nutrients that support the adrenal glands' adaptive response as well as support circulation, relaxation, and overall well-being.
- Featuring a non-soy derived source of isoflavones, Menopause Mgr™ may also beneficially influence estrogen receptor function.
- Menopause Mgr™ and other MedCaps formulas can be added to any of the formulas found in the aaahh Chiro-Spa Modular Functional Food System™ to optimize clinical flexibility and patient compliance.
